DIRECTIONS FOR BARKING LOG

Once the Animal Control Office gives permission to keep a Barking Log, be sure to fill in all the details and follow all of the specific instructions on the form. When four days of significant barking has been recorded in any 10-day period, call the Animal Control Officer as soon as possible so he can review the log and take steps to resolve the matter while it is still fresh. Contact phone numbers are at the top right hand corner of the Barking Log form.
