-Persons with disabilities/accessibilities concerns may rent the Handivan for their use, including medical appointments. The van cannot be used for commercial use and cannot travel out of Alberta. Fees may apply; speak to the Town of Hanna for more information.

Medical Appointment Transportation (MAT) – Joan Netter 403-857-9044

-Joan transports individuals to Calgary, Red Deer, or Medicine Hat for \$350 round trip. Travel to medical appointments in Drumheller is \$150 round trip. Phone for inquiries for other locations.

Gary's Personal Transport – 403-823-0170

– he is licensed as a business in Drum. He is more than willing to come to Hanna to pick up seniors for their medical appointments. His cost return to Calgary or Red Deer is \$150.

Jan Millman – 403-823-3725

– she has been providing transportation for seniors to the city for many years from Drumheller. She usually takes a few people at a time, so they typically have to wait for each other's appointments. I spoke to her today and she will only take someone from Hanna if they can get a ride to Drumheller first. Cost is about \$110 return to Calgary.
