Statement of Revenue & Expense

Recommended Motion

That Council accepts the Statement of Revenue and Expense Report for December 2022 for information.

Background

Administration at each regular council meeting will provide Council with a Statement of Revenues and Expenses for the month recently concluded. This statement will reflect the financial position of the Town relative to the approved budget.

The budget figures have been updated from the 2022 Operating and Capital budgets approved by Council at the May 10, 2022, Regular Council Meeting. The capital budget figures have been split from the operating in those departments where capital items are in the budget.

The statement reflects the revenues and expenses to December 31, 2022.

Council members are encouraged to ask questions or seek clarification on any information presented.

Budget Overview

Recommended Motion

That Council accepts the Budget Overview for December 2022 for information.

Background

The Budget Overview consolidates information from the Statement of Revenues & Expenses report into categories that compare the revenue and expenses for each department of the Town. To see the detail for each department, refer to the Statement of Revenues & Expenses.

The Budget Overview provides the adopted budget figures and the actual month end totals for each department. The final column compares the figures between budget and actual expense.

As with the Statement of Revenues & Expenses, the budget figures have been updated from the 2022 Operating and Capital budgets approved by Council at the May 10, 2022 Regular Council Meeting. The capital budget figures have been split from the operating in those departments where capital items are in the budget.

The overview reflects the revenues and expenses to December 31, 2022.

Council members are encouraged to ask questions or seek clarification on any information presented.

Capital Budget Update

Recommended Motion

That Council accepts the Fourth Quarter Capital Budget Update, dated December 2022 for information.

Background

The Capital Budget Update consolidates information from the capital expenses budget and provides Council with the progress for each budget item, categorized by department, like the Budget Overview. To see the detail for each department, refer to the Statement of Revenues & Expenses.

The report details the department, item for purchase, the status of each capital item, the adopted budget figures and the amount spent to date. The final column compares the figures between budget and actual expense.

As with the other financial reports, the budget figures are taken from the 2022 Operating and Capital budgets approved by Council on May 10, 2022.

Council members are encouraged to ask questions or seek clarification on any information presented.

MEMORANDUM

Date: January 10, 2023
To: Mayor & Council
From: Kim Neill
Chief Administrative Officer
Re: CAO Report – January 10, 2023 Council Meeting

1. Signage Project

Screw pile installation has been delayed again but anticipated to be completed prior to the end of January or early February.

2. Land Use Bylaw Review

Administration has completed the draft Land Use Bylaw and it is now ready for presentation to Council and MPC on Tuesday, January 17th at 5:00 PM at the PRMS Office. The presentation and review is anticipated to run until 9:00 PM with a meal provided. Following this presentation and based on feedback from Council and MPC the next steps will be to host some public engagement sessions for the public to review the proposed changes and provide any feedback on the revised LUB. Following the public engagement process (anticipated mid – late February) the LUB will be brought back to Council for first reading at the March 14th meeting and anticipated final readings at the April 11th Council Meeting.

3. New Payroll System

Katelyn has been working very hard on the implementation of a new Payroll system as the previous software provided is no longer providing service and this new payroll system ties into our financial software system.

4. Infrastructure Upgrades – Pioneer & Palliser Trail

Administration has been working with MPE on options for the upgrade of Palliser Trail and Pioneer Trail which are deteriorating with the volume of traffic and heavy load traffic. Initial estimates to do major work on Pioneer Trail from South Municipal Road to CN Reservoir Bridge and Palliser Trail from the west entrance to Railway Avenue are detailed below:

- Simple overlay - \$800,000
- Mill, crack fill and overlay - \$1.1 Million
- Pavement design, mill, crack filling and overlay \$1.5 million
- Complete reconstruction - \$2.4 Million

Administration has asked for estimates to extend along Palliser Trail to a minimum of 2nd Avenue.

One of the challenges with Palliser Trail is that when it was constructed there was no crown to the road so it can be repaved but without a crown for drainage the road will not last as long as it would with a crown but of course that brings a significant increase in cost.

Meetings Attended:

- MPE – Downtown Redevelopment Project – Pioneer & Palliser Trail Upgrades – December 14th
- Business Hub – Economic Development Collaboration – December 20th & January 3rd
- PRMS – Crowle Subdivision – December 15th
- Dr. Appt – Edmonton – December 21st
- Vacation – December 22 – January 2, 2023
- Signage Project – December 19 & January 9th
- Business Hub Funding – January 3rd
- LUB Review – January 5th

Upcoming Events:

- Business Hub – Economic Development Collaboration – January 17th & February 7th
- LUB Review – Council and MPC – PRMS – January 17th
- Hanna/SAB - Discussion/Update – January 19th
- Council Info – January 25th
- CSB Meeting – January 30th
- Municipal Addressing Review – February 1st

December council report – Kevin Olsen

January Council Report

Arena

- Crokicurl ready for use before Christmas.
- Moving snow and maintaining outdoor rink and crokicurl.
- Arena was slow over the holidays.
- Finalized paperwork on LiveBarn and coordinating install date.
- Hot water tank that supplies dressing rooms/concession had started to leak. We were able to have it replaced before loss of use.

Other

- Detailing fleet, maintenance on equipment.
- HVAC maintenance and upkeep.
- Facility maintenance and upkeep.
- Preliminary work to accommodate Lacrosse, they will be in the arena.
 - o Pricing of nets and shot clock.
 - o Planning necessary lines and markings for surface.
- Christmas lights have been turned off and taken down from the facilities.

Skate with Santa

Skate with Santa was held on Sunday, December 18th from 1-3pm. The event was well attended by families who enjoyed skating, free hot dogs and hot chocolate and received take home kits with crafts and activities to keep them busy over the Christmas break. Thank you to Healthy Families, the Family Resource Network and Hanna Minor Hockey for partnering with us on the event.

Youth Club

The Youth Club's first event of the new year will be a showing of "Lyle, Lyle Crocodile" for their movie night on January 20th. They have planned a full year of events including movie nights, youth dances, teen recreation nights, and the return of the Teen Fair this coming September. They will be holding their AGM on February 1st at the Town Office at 5pm. New adult and teen members are welcome to join.

Kickboxing

A new session of kickboxing classes starts January 12th at Centennial Place. We are offering three classes a week, with each of those running for nine weeks. Pre-registration is required, and currently classes are sold out for this session, but residents can join our waitlist to be informed of any openings and to get notified when we start registration for the next set of classes.

Community Choir

Our adult community choir had a successful fall and gave several community performances prior to Christmas. After taking a break for the holidays they are resuming practicing on Tuesday, January 10th. Practices are held weekly on Tuesdays from 12:30-1:30pm in the Music and Youth Room at Centennial Place. It is free to attend, and all skill levels are welcome, no formal experience required.

Centennial Place

Centennial Place continues to be busy with our user groups, as well as with Town run events. FCSS sponsors several free to attend programs each week in the space. And we coordinate drop-in times for specific sports. For the most up to date information visit hanna.ca/events and click on "This Week at Centennial Place" at the start of each week for the most up to date schedule of what activities are

available for residents. And if you have ideas on activities you would like to see offered, please reach out and let us know.

Drive Happiness

Drive Happiness was able to provide us with the following statistics for usage in Hanna in 2022:

Number of Drivers Registered: 3

Number of Riders Registered: 19

Rides Successfully Completed: 18

Rides Cancelled by Rider (No longer needed): 6

Rides Not Filled (No Driver Available): 22

The system is working to fill some of our transportation needs; however, you can clearly see that the demand for rides outpaces our volunteer capacity at this time. We are happy to assist potential volunteers with completing their application to drive or answering any questions they may have.

COUNCIL REPORT

DATE: January 10, 2023

PRESENTED BY: Brent Olesen, Director of Public Works

- Since the December 13, 2022 Council meeting, the public works department has been busy with the following items:
 - Water & Sewer
 - Water meters were read this month for the November & December 2022 utility billing.
 - Every third Friday we are still hauling sewer from special areas and the airport which we do all winter.
 - Road Maintenance
 - We continue to do snow removal this month trying to keep up with the weather.
 - Meetings
 - I am attending the Monday morning Director's meetings.
 - Airport
 - Routine maintenance at the airport – check the terminal building for maintenance issues, check the runway lights and windsock, haul garbage, etc.
 - We plow and maintain the tarmac and walkways of snow to make sure that the air ambulance can land as needed.
 - Cemetery
 - There were two casket burials this month.
 - Just a note we do not plow the cemetery roads unless we need to get in for a funeral, once you plow it the snow blows in harder on the roadways and it becomes difficult to remove.
 - General
 - We took down the Christmas lights and dismantle the float.

Real Estate Services – Contract Award

Recommended Motion

That the Chief Administrative Officer be authorized to enter into an agreement with Harvest Real Estate to provide Real Estate Services to the Town of Hanna as per their proposal as presented, effective December 15, 2022, for a term ending December 31, 2024.

Background

Since 2015 the Town of Hanna has had various local realtors serve as the Town Real Estate Service Provider. Administration believes that by having a constant marketing presence and representative working for the Town to sell our properties it takes responsibility off Administration and the realtor is in a better position and has the required expertise to market the properties.

In November of 2020 because of the previous Real Estate Services Agreement expiring, administration prepared and shared electronically to all four local Realtors a Request for Proposals for the provision of Real Estate Marketing Services to the Town of Hanna.

One proposal was received by the deadline from Marc Aubin & Associates. The highlights of their proposal are listed below:

Marc Aubin & Associates:

- Local Agent Todd Wallace will be the Lead Agent.
- Will market the properties through a combination of Social Media Ads and Real Estate web-sites, Kijiji and other sale sites.
- Individual listings for each property on MLS.
- Partner with their sister company Big Iron Nation and together they have a network of 70 dealers covering Western Canada and the Western United States.
- Commission
 - All Properties - 4% of selling price plus GST for each property sold to be split between the buying and selling agents.

Following the review of the proposal administration recommended that the Town enter into an agreement with Marc Aubin & Associates to provide real estate services to the Town of Hanna and market Town owned properties as per their proposal and that this agreement be effective immediately until December 31, 2021.

At the December 8, 2020, Council Meeting, Council passed the following Resolution, "That the Mayor and Chief Administrative Officer be authorized to enter into an agreement with Marc Aubin & Associates to provide Real Estate Services to the Town of Hanna as per their proposal dated November 27, 2020, effective immediately for a term ending December 31, 2021."

At the December 14, 2021, Council Meeting, Council passed the following Resolution, "That the Mayor and Chief Administrative Officer be authorized to extend the agreement with Marc Aubin & Associates to provide Real Estate Services to the Town of Hanna as per their proposal dated November 27, 2020, effective immediately for a term ending December 31, 2022."

During the 2022-year Todd Wallace discontinued his association with Marc Aubin & Associates and started a new real estate firm called Harvest Real Estate. With the previous agreement expiring as of December 31, 2022 Administration received a proposal from Mr. Todd Wallace to continue to provide real estate services to the Town of Hanna for another year (expiring December 31, 2023) under the name of Harvest Real Estate.

During the last Request for Proposal request for real estate services in November 2020 the proposal received from Marc Aubin & Associates was the only proposal submitted and the Town of Hanna has not been approached by any other local realtors since interested in providing real estate services to the Town of Hanna.

As a result and based on the satisfactory services of Mr. Todd Wallace since December 8, 2020 Administration at the December 13, 2022 Council meeting recommended that the Town of Hanna enter into an Agreement with Harvest Real Estate Services to provide Real Estate Services to the Town of Hanna as per their proposal, effective December 15, 2022 for a term ending December 31, 2023. The proposal received from Harvest Real Estate was identical to the previous agreement the Town of Hanna entered into with Marc Aubin & Associates.

At the December 13, 2023, Regular Council Meeting a Resolution was passed directing Administration to establish and advertise a new Request for Proposal for Real Estate Services process. Following this decision Administration prepared an RFP for Real Estate Services and emailed the RFP to each of the four local real estate offices on December 15, 2022. The RFP

was also advertised on the Town of Hanna page in three issues of the Hanna Herald, through the Town e-news subscription, on the Town of Hanna web-site and through the Town of Hanna Social Media.

The RFP had a deadline of January 4, 2023, to respond and as of the deadline the only RFP received was the original proposal from Todd Wallace with Harvest Real Estate. Since the Town was going through a new RFP process Administration determined that the agreement should be for a two-year period and the RFP reflects that.

Administration is recommending that the Town of Hanna enter into an agreement with Harvest Real Estate to provide Real Estate Services to the Town of Hanna as per their proposal as presented, effective December 15, 2022, for a term ending December 31, 2024.

Proposal for providing real estate services for the Town of Hanna

Harvest Real Estate agrees to provide real estate services for the Town of Hanna at a rate of 4% of final sale price. All properties will be marketed on Realtor.ca the national MLS for Canada, as well as Kijiji, Point to Homes and other social media applications such as Facebook, Youtube and Twitter.

The term of this contract will be from Dec 15 2022 to Dec 31 2023 covering commercial and residential properties. The Town is free to add and remove properties at their discretion.

Harvest Real Estate is Owned and Operated out of Hanna AB by Todd Wallace who is the Broker. In the past I have sat on the Hanna Municipal Planning Commission, Hanna Community Services Board, Alberta Real Estate Association as a director and chair of the Forms and Practice Committee.

I am currently the President of the Realtor's Association of South Central Alberta, a member of the Provincial Government Relations Committee and a director of the Hanna Food Bank. I strongly believe in giving back to my community and strive to make Hanna a better place to live.

Part 1 – General Information

Please read all documentation included in this package carefully prior to submitting a proposal.

Introduction and Background

The Town of Hanna invites you to submit a proposal to provide real estate services to the Town of Hanna. The Town has a fully serviced 15 lot single family residential development (8 lots left) and in addition have a few other residential and commercial properties available for sale. The Town wishes to engage an experienced real estate agent to market the lots for sale and act as the Town of Hanna realtor.

Term of Engagement

The contract will be in effect for a two (2) year period, commencing at or around the time of awarding to the successful proponent. In addition to the initial contract, the Town reserves the right to extend the contract for a period of up to one (1) additional year (thirty six months total).

Prior to the expiration of the original agreement, the Town and the successful service provider will, at the Town's discretion, negotiate the terms of the extension. Should both parties mutually agree to the terms of the extension then the town and the service provider will formalize and execute the contract extension. Should the parties fail to reach agreement before 60 days from the end of the original term, the Town retains the right to not extend the contract.

The Town of Hanna reserves the right to cancel the agreement at any time on sixty (60) days written notice.

Approximate Timelines

The approximate proposal, award and implementation timelines are as follows:

Issuance of RFP	December 15, 2022
Close of RFP	January 4, 2023
Contract Award	January 10, 2023
Commencement of Service Provision	January 11, 2023

Part 2 – Description of Services

Scope of Services

To provide real estate management services to the Town of Hanna. This will primarily involve the marketing and sale of Town owned properties including the fully serviced 15 lot residential subdivision (Fielding Place) (8 lots remaining).

It is anticipated that this will include the need to work with the Town to understand its goals and objectives in this area.

The service provider will provide ongoing advice related to residential and commercial real estate management.

Deliverables

The proponent will be responsible for the provision of the following:

- All real estate services that are considered to be industry standard. This includes but is not limited to print advertising, web presence, MLS listing and signage.
- Accurate and complete reports regarding commercial real estate transactions and development in the region.
- Establishing relationships with the Town's administrative team and providing sound real estate analysis, consulting advice and opinion.

Part 3 – Terms and Conditions (General)

General

Electronic copies of the proposals are preferred. If this is not possible, three (3) printed hard copies of the proposal are required.

Quotations may be withdrawn at any time prior to the closing date by written request to the CAO.

Costs quoted will be in Canadian dollars.

Costs quoted will be firm and unchangeable after the time and date of the bid closure. Pricing will be guaranteed for a period of at least six months.

All prices quoted shall be exclusive of the Goods and Services Tax.

There is no expressed or implied obligation for the Town of Hanna to reimburse responding vendors for any expenses incurred in the preparation of proposals or attendance at interviews/presentations in response to this Request for Proposal.

If, by legal requirement, the proponent requires the Town to enter any real estate contractual arrangements, these shall be provided & form part of the proposal. The Town reserves the right to review and alter any contractual arrangement put forth by the successful proponent.

Acceptance of Submissions

Proposals shall be submitted to the Town of Hanna Office by 4:00 pm Mountain Standard Time (MST) on Wednesday, January 4, 2023. Late submissions will not be accepted.

Unless explicitly stated otherwise, submission of a proposal indicates acceptance by the vendor of the terms and conditions contained in the Request for Proposal.

The Town reserves the right to withdraw, at its discretion and at any time, this Request for Proposal. The Town will not be held liable for any expenses, costs, loss or damage incurred or suffered by any Proponent as a result of such withdrawal.

The Town reserves the right, without prejudice, to reject any or all proposals.

Accuracy, Confidentiality and Release of Information

All information contained in this document with respect to operations, qualities, quantities, values, description of properties, losses, etc., are reasonably and realistically accurate to the best of the Town's knowledge, however, is not guaranteed by the Town. It is each vendor's responsibility to obtain and verify to the best of their ability the information required to respond accurately to this RFP.

All proposals submitted to the Town become the property of the Town in their entirety. Quotations and the information contained within will be held in confidence as much as is reasonably possible and subject to the disclosure provisions contained in the Freedom of Information and Protection of Privacy Act.

Any information or knowledge gained or obtained by the Vendor because of this process will be maintained in confidentiality and will not be sold, distributed or in any way used for profit.

Negotiation and Termination of Contract

To a reasonable degree, the Town reserves the right to negotiate the final contract with the successful vendor outside of the defined scope of services indicated in the RFP.

At any time and at the sole discretion of the Town, the Town reserves the right to terminate any and/or all services provided by the successful vendor should the services provided be deemed to be unsatisfactory. In this event, the Town will provide written notice to the vendor of the unsatisfactory condition and if the vendor does not remedy the unsatisfactory condition within 30 days of the date of written notice, the Town will terminate the service on 30 days written notice.

Conflict of Interest

All vendors are required to disclose to the Town any direct or potential conflict of interest in their RFP submission. The disclosure will detail the nature and degree of the direct or potential conflict. The Town reserves the right to reject a proposal and/or to cancel the award of contract if, in the Town's sole opinion, any interest disclosed from any source could give the appearance of a conflict of interest or cause speculation as to the objectivity of the awarding of the contract.

Part 4 – Terms and Conditions (Special), Instructions to Bidders

General

Notwithstanding the information contained in this Proposal Package, it is your sole responsibility to:

- Review and become familiar with this Request for Proposal Package and any associated documents
- Investigate the operations, facilities and determine work conditions, and potential problems and difficulties
- Determine costs, equipment needs, personnel need and product requirements.

Prior to the submission of proposals, each vendor shall satisfy themselves that they are fully conversant with the requirements and any other conditions which may affect the execution of the contract.

Account Management

The successful proponent will not change or replace its Account Manager for this agreement without written notice to the Town. The Account manager appointed to the Town's account must be fully qualified and experienced to the Town's satisfaction. As the working relationship between the Account Manager and the Town's finance team is of the utmost importance, the broker will replace the Account Manager on the Town's request if necessary.

Vendor Qualifications/Mandatory Requirements

To qualify for consideration, real estate firms must meet the following mandatory requirements:

- Licensed to practice in Alberta
- No conflict of interest with regard to any other work performed by the firm for the Town
- Demonstrated experience in the provision of real estate management services within the Province of Alberta

Proposal Submission Content and Format

Proposals are expected to address the following points in sequence. Each section is to be clearly titled and separated from the other sections. Failure to follow the required content and format may result in the disqualification of your proposal.

Proposals will include the following:

- Proposal Submission Form - a completed and appropriately authorized copy of the attached 'Proposal Submission Form' – see attached document
- Mandatory Requirements - one page indicating the following:
 - confirmation that you are independent of the Town and licensed to practice in Alberta
 - confirmation that there is no conflict of interest with regards to any other work performed by your firm for the Town of Hanna
 - address/location and a brief description of the resources of your office
- Corporate Profile, Head Office and Local Office – brief description of your firm's history, size, locations, number of employees.
- Experience and Expertise, Head Office and Local Office – provide a brief explanation detailing your firm's ability to provide the services including a comprehensive list of clients (preferably municipal or public-sector) to which you or your firm has provided real estate services.
- Proposed Marketing, Services and Fees – provide a summary of services and fees
- Project Team – provide a list of the key members of the team that would be assigned to provide the services, including name, location, qualifications, related experience, role/involvement

All questions and concerns regarding this proposal process or detailed questions regarding the requirements shall be submitted to:

Kim Neill

Box 430

Hanna, AB T0J 1P0

Phone (403) 854-4433

Fax (403) 854-2772

Email: kneill@hanna.ca

All new information made available prior to the submission deadline will be released to all known vendors.

Proposal Review and Evaluation

The intent of the evaluation process is to select the professional best suited to provide comprehensive real estate marketing services to the Town of Hanna.

Proposals will be opened in private immediately following the proposal submission deadline. The results will not be released until a contract has been awarded by the Town.

Following the initial proposal review and evaluation, the Town may elect to shortlist the highest evaluated vendors and request presentations to a committee of Town staff. Although the Town will endeavor to provide as much advance notice as possible, it is expected that these presentations (if required) will occur during the first week of January 2023 and all vendors should be prepared to provide a presentation, which includes the members of your project team, on short notice.

Proposals will be evaluated based on the following criteria:

- Mandatory Qualifications/Requirements (must meet to be considered for further evaluation)
- Fees
- References
- Demonstrated Experience and Qualifications of Firm and Team, Past performance
- Fit/Ability to work with the Town

Following the submission of proposals, the Town reserves the right to contact vendors for the purpose of clarification of proposal content or to seek further related information.

The Town reserves the right to contact any current or previous client, whether referenced or not, to obtain information required regarding the quality of service provision and to use this information in its sole discretion in the evaluation of the submissions.

The Town reserves the right to reject all proposals and need not accept the lowest, or any proposal.

Municipal Enforcement Services – 2022 Report

Recommended Motion

That Council accept the Municipal Enforcement 2022 Statistics including the October 2022 Shacker Crescent Alley Traffic Information Report for information.

Background

The 2022 year saw the Town of Hanna contract with the Special Areas for Municipal Bylaw Enforcement. Peace Officer Erickson has provided Administration with the 2022 Municipal Enforcement Report for the Town of Hanna. Highlights of the report include the following:

- Total Enforcement Hours – 370 hours 8.6hrs/week average
- Total Files – 108
- Incident Reports General – 3 – 4%
 Animal – 17 – 20%
 Traffic – 21 – 25%
 Unsightly – 43 – 51%
- Tickets Issued - 12

At the August 9, 2022 Council Meeting Information from the Special Areas Traffic Information System was provided to Council regarding the traffic activity and traffic speed on Shacker Crescent Alley. This system can record the number of vehicles on a road and the speed they are travelling. This system was set up on the South part of the alley on July 18th and taken down on August 2nd. Their system produced a report including the following highlights:

- There were 3,958 vehicles that traveled the Southern portion of the alley during the above noted period
- Highest recorded speed was 82 Km/hr
- Average speed – 34 km/hr – eastbound - 32km/hr – westbound
- % of vehicles speeding – 75.8% eastbound – 56.3% - westbound

At this meeting a Resolution was passed that two temporary speed bumps be installed in the southern portion of Shacker Crescent on a trial basis.

Administration arranged with Peace Officer Erickson to set up the system again once the speed bumps had been installed. The system was set up again on October 18th to October 25th. Their system produced a report including the following highlights:

- There were 1,839 traffic movements on the Southern portion of the alley during the above noted period
- Highest recorded speed was 51 Km/hr
- Average speed – 27 km/hr – eastbound - 17km/hr – westbound
- % of vehicles speeding – 85.2% eastbound – 31.6% - westbound

Below please find a comparison of the key traffic indicators:

	<u>July 2022</u>	<u>October 2022</u>
Highest Recorded Speed	82 km/hr.	51 km/hr.
Average Speed Eastbound	34 km/hr.	27 km/hr.
Average Speed Westbound	32 km/hr.	17 km/hr.
% of Vehicles Speeding Eastbound	75.8%	85.2%
% of Vehicles Speeding Westbound	56.3%	31.6%

It appears that there has been an overall reduction in the traffic speed in this location following the installation of the speed bumps although there is no ability to ascertain if that reduction is as a result of the installation of the speed bumps or other unknown reasons.

Administration unless directed otherwise by Council will continue to use the speed bumps in the spring – fall season. Please note that Administration anticipates additional requests for speed bumps from residents in different areas of town.

Bylaw 1029-2023 Land Use Amendment

Recommended Motion

That Council give first reading to Bylaw 1029-2023, Land Use Amendment.

That Council authorize a Public Hearing for Bylaw 1029-2023 to be held on February 13, 2023 at 7:00 p.m. in the Council Chambers at the Town Office to allow any person who claims that he/she will be affected prejudicially by Bylaw No. 1029-2023, an opportunity to be heard by Council; and further, that the notice of the public hearing be advertised and that the required notice be sent to owners of the affected properties as well as adjacent landowners.

Background

An application to amend the Town of Hanna Land Use Bylaw 967-2012 has been received by Palliser Regional Municipal Services. The application has been submitted by Deryl Karg as the landowner of the landowner of the property.

The application is to rezone a 577.5 m² portion of Lot 2, Block 1, Plan 2261JK (501 5th Street W) from R-3 Multiple Unit Residential District to R-1 Single Detached Residential District. The subject lands are located at the south west corner of the intersection of 5th St W and 5th Ave W (Attachment 1 – Context Map). The aerial photograph shows the lot as vacant. However, there is currently a three-plex and a duplex constructed on the site which are more recent than the aerial photograph. The site is currently undergoing a concurrent process of subdivision to create individual lots for each dwelling unit. Attachment 2 shows the current and proposed site layout and conceptual subdivision layout. The lot noted on the plan as #609 shows the proposed area for the construction of a single detached dwelling.

The current zoning of the entire site (R-3) would not allow for the construction of a single detached dwelling as it is not listed as a permitted or discretionary use. The landowner wishes to rezone this portion, as the remaining lot size is insufficient for another duplex dwelling.

The application to rezone this portion of the parcel to R-1 is generally consistent with the current use of the lands and the surrounding lands, which is a mixture of R-3, MH and R-1. The current zoning of the lands and the surrounding lands is shown in Attachment 3.

The proposed Bylaw 1029-2023 is shown in Attachment 4 – Bylaw 1029-2023.

Communications

Palliser staff have discussed the application with Administration to discuss any concerns with the application.

The public hearing will be advertised and circulated as required by the *Municipal Government Act*. The hearing will provide any affected persons an opportunity to express their concerns to Council.

Financial Implications

Operating: _____	Capital Cost: _____
Budget Available: _____	Budget Available: _____
Unbudgeted Costs: _____	Unbudgeted Costs: _____
Source of Funds: _____	Source of Funds: _____

There are no significant financial implications of the proposal.

Policy and/or Legislative Implications

1. Municipal Government Act – Sections 230, 639, 640.
2. The proposed bylaw is consistent with the Town of Hanna Municipal Development Plan (MDP). Part 2 Section 3.3 encourages the development of vacant lots where services are available prior to expansion onto unserviced lands. Part 2 section 3.5 encourages the development of a mixture of housing types through the Land Use Bylaw.

December 2022

Welcome to the Harvest Sky Region!

Endless possibilities await investors, residents, and visitors.

Happy Holidays and a prosperous New Year from the Harvest Sky Region

As we move from 2022 into 2023, we want to thank you for helping support our efforts to make the Harvest Sky Region the destination of choice for new investment, residents and tourists!

We're working hard to bring economic development to our region in many forms but it takes everyone pulling in the same direction to make our communities successful. It's also helpful when we can share stories of the amazing people that live here.

Our most popular posts and widely shared marketing is when we can showcase our great communities and the residents that live here.

Showing our attractions and people enjoying themselves helps others discover what a great place we live in.

So, if you've got a story, a fun time, an attraction or just a smile you'd like to share, we'd love to hear from you! Please feel free to share your stories with us on our social media platforms or email them to us: mark.nikota@harvestsky.ca

Project Updates

Agricultural Centre

They've hired an architect to formalize building & site plans and get the project to a conceptual design phase. This will happen over the next few months and will include community engagement. Keep up to date by following the Ag Centre Project on Facebook: search **Harvest Sky Region Ag Centre Project** or on the harvestsky.ca website.

Investment Attraction

We are receiving interest from a number of companies that have seen the promotional pieces we've put out about the Sheerness Industrial Park. Companies focused on a variety of industries including energy production (hydrogen for example) and agricultural production (greenhouses). The exciting part is that companies are starting to reach out to us about the park, in addition to our efforts to reach out to them. This means word is getting out about the opportunities that exist in the Harvest Sky region. We will continue to make the case that we have the best place to do business in the province. For more information on the park, go to the Special Areas website: <https://specialareas.ab.ca/invest/sheerness-industrial/>

Tourism

Harvest Sky is partnering with Special Areas on a tourism project to attract people onto the Dinosaur Trail, including a stop at Carolside to see a new Dinosaur display. Stay tuned for more on that project.

We are also involved in renewing the Badlands Regional Tourism Zone with Travel Alberta and are working with Travel Drumheller to extend stops out from Drumheller and into our communities. If you're a tourism business, make sure you pass along any ideas you have that can help us capture visitors as they drive by.

MARIGOLD REPORT

To Councils and Special Areas Board

MARIGOLD BOARD MEETING HIGHLIGHTS:

November 26, 2022

The Marigold Library System Board met Saturday, November 26 via Zoom. New Board members were recognized: Kelly Burgess – Village of Empress

FINANCIAL STATEMENTS

Marigold unaudited Financial Statements to October 31, 2022 were accepted for information. Marigold Library System is in a positive financial position. Expenditures are on track including IT equipment and materials.

Draft Operating Budget 2023-2025

The draft budgets for operating and capital/projects budgets were presented and approved for information. In January, the final budget will be presented to Marigold Board for approval, based on year-end

actual expenditures and official populations from Municipal Affairs.

Marigold's Draft Operating Budget for 2023 is \$5,784,820, which is 3% higher to account for an projected increase to population numbers.

Marigold is the third largest library system in Alberta, based on service population, after Calgary and Edmonton. With a larger service population, costs are higher, and many expenses are calculated on a per capita basis. There are increased costs for utilities, fuel and IT contracts.

eResource subscriptions and eBook pricing are impacted by U.S. dollar exchange rates. Salaries account for 38% of the total budget. Savings have been found in website development, internet costs and promotional materials.

HQ Building Sale: 710 2 Street, Strathmore

Here are details on the listing of our old headquarters building and property in Strathmore: <https://www.realtor.ca/real-estate/25017701/710-2-street-strathmore>

Key initiatives in 2023 include:

The development of Marigold's 2023-2025 Plan of Service will be completed early next year.

The IT department is working on a network storage replacement project, which will add additional network hardware and enhance the storage space for virtualized servers and appliances.

Marigold continues to work with the Langdon Library Society and Rocky View County on the opening of the new Langdon Community Library in early 2023.

Wishing everyone a wonderful, happy and healthy holiday season! All the best from Marigold Headquarters for a bright 2023.

- Lynne Price, CEO (right) and Laura Taylor, Chief Operating Officer (left)

POLICY APPROVAL & DECISION

Policies reviewed and approved by the Marigold Board:

Finance Policy - Finance
Information Technology (IT) Services Policy – Standards & Services

The Board also reviewed the Library Services for Indigenous Persons Operational Policy (Public Library Services Branch)

Capital and project expenditures for 2023 are based on available funds after estimated operating costs have been subtracted from revenue projections. Two service vehicles need to be replaced.

FREEDOM TO READ WEEK

February 19-February 25, 2023: Vice Chair Maxine Booker proclaimed Freedom to Read Week in Marigold. Communications & Engagement Manager Jessie Bach spoke about the importance of being able to choose what you want to read and how intellectual freedom is challenged when any resource is restricted. Canadian libraries have an essential role in promoting freedom to read and intellectual freedom. Member libraries, councils and residents are encouraged to celebrate Freedom to Read Week from February 19– February 25. The proclamation will be sent to local library boards and councils early in January. More at: freedomtoread.ca

HQ STAFF PRESENTATIONS TO MARIGOLD BOARD:

IT Update:

IT Manager Richard Kenig reported on several long-term projects related to hardware and server upgrades, network architecture and infrastructure, and general cyber security. Service continues to expand for hybrid workers, including expanding cloud storage capacities and providing more user training and onboarding with available tools (e.g. Teams, Onedrive, Sharepoint).

The IT department continues to support several libraries on upcoming moves or builds: Rumsey, Morrin, the new Langdon Community Library, and Airdrie Public Library as they progress through the building of their new facility.

PRAIRIE LAND PRIDE

Small schools preparing students for big futures.

Prairie Land Public School Division

Volume 8, Issue 2 December 2022

Division's Online Schools Connect with Students Around the Globe

Prairie Land's online schools offer a second-to-none education for students around the world. Hope Christian School (HCS) and Prairie Land Online Academy (PLOA) provide students with an alternate learning environment dedicated to ensuring students achieve their goals.

Both schools have students from across Alberta as well as the country; and thanks to technology many students join their classes from around the world.

"The flexibility of online schooling allows Hope Christian School to educate students from many different places," explains HCS principal Dale Anger. Currently Hope Christian has students from Africa, South America, Russia, Haiti, Thailand, Nigeria, Ecuador, Nepal and Hong Kong.

Many of these are considered international students, living in their home countries, studying the Alberta curriculum.

"One of the main appeals is that students receive Alberta Education accredited courses," said Anger. "Some are seeking admittance to Canada and Alberta, so they are getting these accredited courses in advance."

However there are a lot of Canadians living abroad who are studying through the division's online schools.

"Students can travel to spend time with family, experience

humanitarian or mission work, and immerse themselves in various cultures while receiving an Alberta education to achieve their academic goals," explains Kathy Harder, Junior High/Elementary Vice Principal and teacher with Hope Christian.

Online learning provides students with a wealth of opportunity to continue their studies from anywhere in the world.

Continued on page 2.

Even if the students are completing their school work online, the Hope Christian School graduation ceremony is in person. For many students, this is the first time they get to meet each other in person—and it is definitely the first time they meet their teachers and the principal! Grad 2022 saw 38 of the potential 57 grads attend the banquet and ceremony at Bowden Community Hall, a central location. A special highlight this year was having Abi Pervaiz and his family participate in graduation from Nepal via Zoom. Pervaiz is a refugee living in Nepal who has been studying with HCS for years. Him and his family are now waiting for the final paperwork for them to move to Canada.

Families Choose Online Learning for Many Reasons

Continued from page 1.

It is 7 p.m. local time when fifteen year old Roni Bazhan logs on to her “morning” class with Hope Christian. Bazhan and her family have been in Russia since 2021 and online classes allow Bazhan to keep up with her schooling.

“When I return to Canada I don’t want to have to repeat any grades,” explains Bazhan, Grade 10, who has been taking classes with HCA since May 2021.

She says she likes the freedom and pace of her classes.

“All of the teachers are amazing; they put a lot of attention into making sure everyone is up to date before moving on.”

“I would however prefer earlier time classes since I have to stay up in the evenings.”

While Prairie Land Online Academy does not currently offer programming to international students, principal Brian Giesbrecht says they also have students joining their classes from various countries.

“We had two students join us for summer school from the Canadian International School of Phnom Penh, Cambodia. One of these students was on holiday in Paris at the time, and the other was in Cambodia,” he said.

“Many students travel throughout the year and are able to continue their education with us.”

One Prairie Land student was in Egypt for the month of September and would share with the class her experiences, including visiting the pyramids. Other students travel to Mexico for the winter and attend classes from there.

“Having students in class together from all over the province, country, and around the world provides global awareness and a unique sense of community,” said Harder.

It is important to note that not all of Prairie Land’s online students are traveling or living overseas.

Many families choose online learning because it fits their lifestyle.

“It provides an alternative learning environment which fits the learning goals of some students,” explains Hope Christian School principal Dale Anger.

For some students, there are health related circumstances that require the flexibility of online schooling.

Anger says they also have students who just don’t fit into their regular school or have been bullied and need an alternative education.

“It’s important for all of our students to feel safe and accepted.”

A number of students take part in competitive sports like hockey or show jumping. Hope Christian School and Prairie Land Online Academy provide a flexible schedule to students.

“PLOA allows these students a lot of flexibility in terms of training / practicing and looking after their animals as well as being able to complete their education,” said Chris Allan, Humanities teacher with Prairie Land Online.

For Grade 9 student, Jamie Richter, online school is a perfect fit.

“We chose to do online schooling because it allows Jamie to have the freedom to have more time to enjoy her passion—horses,” explains Jamie’s mother Meaghan Richter.

Jamie participates in three to four equine jumping shows a year as well takes part in various horse clinics around the Edmonton area, where she also volunteers / works at the horse barn.

“Both require extra time and commitment by Jamie,” said her mother. Prairie Land Online Academy fits Jamie’s schedule as it gives her the flexibility to be at the barn early to help with the farrier and other chores when needed.”

Another benefit is all of her lessons are recorded so she can go back and re-watch them or use them to catch up on anything she missed.

“Jamie loves her teachers and their style of online teaching.

Online learning platforms also provide an opportunity for students, especially from rural areas, to take courses which may be unavailable in their local schools.

“Another advantage is that it gives relatively easy access for students wishing to upgrade or to take courses in semesters when they are unavailable in their school or may not fit into their

regular timetable,” said Anger.

Another situation where students are utilizing online classes is when high school students are working.

“A number of our high school students are working to support themselves so regular school schedules don’t work for them,” explains Allan.

“While it may not be an ideal situation, these students are learning to balance a work—school—life situation. Not an easy task!”

Shelli Tattrie, secretary with Prairie Land Online, explains how rewarding it is to be able to help students. “We are able to assist students by filling this niche and watch them grow academically and as individuals.”

She adds it is not just about the students either.

“There is great satisfaction in knowing we are helping families too. Their gratitude to Prairie Land for providing an online education option for their child (ren) has been rewarding and in some cases heartwarming (especially for students who feel marginalized).”

Grade 9 student, Jamie Richter, spends most of her free time attending horse clinics and equine jumping events. Thanks to the flexibility of Prairie Land Online, she is able to remain dedicated to her sport as well as volunteer and do chores at the horse barn.

Prairie Land Online Teachers Create Unique Learning Opportunities

During the COVID-19 pandemic teachers quickly learned to roll with the punches and find new ways to interact with their students over Google meets.

Prairie Land staff rose to the challenge, providing excellent education to their students and they have continued this standard through the establishment of Prairie Land Online Academy.

“The mission of Prairie Land Online Academy is to build relationships with students, and let that guide their education,” said Brian Giesbrecht, principal of the online academy.

The school offers synchronous learning, specific online classes with teachers and students, as well as asynchronous learning—activities that students can complete on their own such as watching videos,

completing assignments, etc.

Online instruction focuses on core subject areas and covers all of the required areas of the provincial curriculum.

One of the things that sets the online academy a part from other schools is its staff.

“The teachers that are a part of our online team are amazing,” exclaims Shelli Tattrie, the secretary for the online academy.

“Their creativity, search for resources and constant push to engage students in the curriculum in an online platform is inspiring.”

Teachers and educational assistants work together to make online learning engaging and fun.

“Online learning brings the students together and meets them where they are at both in their physical location and mentally/emotionally,” said Leanne Zimmer. “It is a joy to watch our students building relationships, seeing successes in their own learning.”

Zimmer explains that having students from around the province creates a unique learning experience.

“How cool is it to explore the province of Alberta in Grade 4 and 5 and actually have students from all over the province be able to show us their region right outside their window!?”

Reading Buddies allows students in Grades 4 to 6 to meet once a week in a single online classroom to enjoy reading together.

“It is so much fun to see our older students be leaders among their younger classmates,” said Trixie Hennig

an elementary teacher with the school.

Hennig also explains how lower elementary enjoy playing games together in Break Out Rooms, reading together in small groups/partners, taking their learning outside, enjoying special guests and presenters online and having fun as we learn through a variety of digital tools.

“Our students are from different communities, urban and rural, which provides us with a plethora of discussion topics as we each enjoy our unique surroundings.”

Classmates even get to enjoy one another’s travel as students log in from wherever their adventures take them.

Zimmer says it is a treat to have families share in the learning.

“Younger siblings drop by to say hi and share their news, parents share their experiences and teach us even more, and of course even those old-

er siblings that help out and share their support,” she said.

“Plus the special guests we’ve had join us during our time together—ducks, cows, cats, fish and dogs!”

“Our younger reading buddies are super excited with the duck that joins their reading time too!”

The staff at Prairie Land Online have created an amazing learning environment for all of its students. And like all schools throughout the division, the academy has received a tremendous amount of support from Hope Christian.

“One of the best parts for the start up of Prairie Land Online Academy has been being welcomed by Hope Christian School and the sharing of ideas, experience, resources and support,” said Tattrie.

“This relationship is so appreciated and has allowed for further growth for the division.”

Online Students Supporting Great Causes

With two online platforms, Prairie Land offers students from Kindergarten to Grade 12 specialized learning opportunities. While students and staff spend most of their time online, they still find time to get together and support worthwhile causes.

Recently the elementary students at Prairie Land Online Academy completed a donation project for clean water through the Raz Reading sponsored initiative.

“Students were able to actively collect stars through their reading platform and donate them to provide clean water. Every 8,000 stars earned 10 days of clean water for one person,” explains elementary teacher Trixie Hennig.

“Our Kindergarten to Grade 3 students earned a total of 99.870 stars during the three weeks we participated!”

Hope Christian students raised \$1,193.00 for the Newell Foodgrains Growing Project through their musical production of *No Strings Attached*.

“The students are excited to be doing something for others,” said Debbie Zepick, who says she teaches her drama classes in person, as well as a coral program, which raises money for a boys home in Mwanza, Tanzania.

“The choir has raised hundreds of thousands of dollars over the last 14 years; it is amazing how people will donate when kids are initiating the fundraising.”

Over the past couple of years, Hope Christian School also competed in Chatterhigh’s Most Informed School; recently they placed 2nd amongst all competing schools in Canada. Students answer 10 questions per day during the competition and accumulate points for their school during the six week competition.

In addition to gathering points, and money for the school, students also receive cash prizes. During the most recent fall competition, two HCS students received a \$120 bursary for their Chatterhigh work.

Money won by the school was used to help Abi Pervaiz, a refugee student living in Nepal, and his family gather resources for their Canadian immigration application.

This year, 14 students from Lighthouse International School in Phuket joined HCS and are completing their Grade 10 studies from Thailand. Although they can’t join the live classes due to the time change, the convenience of recorded classes and the Canvas LMS, dissolves all time and distance constraints. Daniel and Melisaa Skitch, formerly from Calgary, started this school and teamed with HCS to ensure a high quality, online program is offered to their high school age students.

Subject: Non-Ambulance Transfer Announcement

Good afternoon,

Today Dr. John Cowell provided an update to media on his first 30 days as AHS's Official Administrator. His focus has been on four priority areas:

- Improving EMS response times
- Decreasing emergency department wait times
- Reducing wait times for surgeries
- Improving patient flow throughout the system

As part of Improving EMS response times, Premier Smith, Minister Copping and Dr. Cowell spoke to the decision to reduce EMS transports of medically stable patients. The non-ambulance transfer (NAT) program has been piloted in Calgary, Bonnyville, Valleyview, Athabasca and St. Paul for six months. Evaluation of those pilots suggests that adoption of this algorithm could divert 15 per cent of transports from emergency medical services. This is already happening in many places across the province, and [this policy](#) formalizes this expectation. We are now expanding the program across the province.

In his comments to media, Dr. Cowell identified non-ambulance transfer as a service Health Advisory Councils have requested in their communities and have deemed a high priority for Albertans. AHS Zone leaders will be working to identify options for supporting patients for whom getting a ride from a family member or friend is not an option. Alternative transportation options may include community shuttles, wheelchair-accessible taxis and other locally available options. AHS will cover the cost of transportation for patients who express they are financially unable to do so.

Community partners and operators interested in learning about how to join the preferred vendor list Dr. Cowell referenced in his remarks can contact AHS at cpsm.customersupport@albertahealthservices.ca or 1-877-595-0007.

This program supports using EMS when their skillset is truly required and will support patient flow, allowing for safe, faster discharges for medically stable patients, which can then provide other patients access to a hospital bed sooner. Read the full [News Release](#) here.

We plan to host a virtual session with you, our community partners, to provide further information and to answer your questions. Please watch for an invitation to that conversation early in the New Year.

Dr. Cowell also provided updates on each of the four priority areas. I have included summaries of those updates below for your information.

As we head into the holiday season, I want to thank you for your commitment to your communities, and your passion for healthcare. I look forward to meeting with you in the New Year as we continue to strive to improve Alberta's healthcare system, together.

Sincerely,

Mauro Chies

Interim President and CEO

Summary of AHS' progress on our 4 Priority Areas:

Improving EMS response times

Nineteen new ambulances have been added this year and we are aggressively working to recruit and retain EMS staff. Initiatives like the NAT program will help keep our ambulances and skilled crews on the roads. We will shortly be able to widely support our paramedics to treat patients on scene without transporting people to hospital, if clinically appropriate.

Decreasing emergency department wait times

For Emergency Departments, we have taken actions including expanding hours for non-urgent pediatric clinics, increasing supports in the ED to support assessment and discharge of elderly and frail patients and working with community partners to facilitate safe discharge for individuals experiencing homelessness. Dr. Cowell has met with the Alberta Medical Association, and they are jointly working to increase the availability of primary care for Albertans. This would, in turn, take some of the pressure off AHS, which becomes the only option for care in some communities on the weekend and in the evenings at times.

Reducing wait times for surgeries

Surgical activity provincewide is at 99 per cent of pre-pandemic levels. We continue to focus on surgical prioritization, central access and intake and Rapid Access Clinics for orthopedic patients. The province has expanded the number of surgeries performed at Chartered Surgical Facilities. We are working directly with surgeons who have longer waitlists to address this challenge. In the longer term, we are exploring ways to optimize surgical activity at rural sites. Learn more about the [Alberta Surgical Initiative](#).

Improving patient flow throughout the system.

Patient flow is critical to our system, and it's critical to patient care. We are working to ensure that we have good flow across all our sites. Next year, 1,150 continuing care spaces will be added to our system. This creates more opportunity to quickly place patients who are assessed and ready to move into continuing care, making an acute care space available to someone who needs that level of care.

These are ambitious goals and these actions and measures are highlights of a series of strategic actions being put in place to better serve Albertans. AHS cannot achieve these targets alone and will therefore continue to look to you – our community partners – as we work to improve the healthcare system for all Albertans.
