Welcome to summer! The recent rains have been great to make the community green and provide the farmers and ranchers with much needed moisture but how about those mosquitoes!

Hope everyone had an opportunity to enjoy another great Canada Day and was able to take part in one of the many Town of Hanna hosted activities. It was great to see so many people enjoying the activities in Hector King-Hunter Park until the downpour shut the activities down.

Council and I enjoyed hosting the Mayors Garden Party during Seniors Week and hope all who were able to attend enjoyed the Ukrainian themed lunch and the JC Charyk Choir.

I and the rest of Council were saddened with the passing of Councillor Gerald "Brass" Campion on June 11. Councillor Campion had served closed to 12 years on Council. He was passionate about this community and he will be missed. As a result of Gerald's passing the Town is required to hold a by-election within 120 days of his passing. The by-election will be held September 26 but more importantly the deadline to submit your nomination will be 12:00 noon on Monday, August 29.

Remember to feel free to reach out to me with any concerns or issues you may have.

Respectfully,
Danny Povaschuk, Mayor

Out of Sight - Out of Mind?

Alleys are easy to forget but when you are doing yard maintenance, please take a moment to look at your alley and make sure you give attention to the area between your back yard and the lane. Take some time to pull weeds, use herbicide,

cut grass, paint a fence, trim a tree, remove trash and debris and neglected vehicles.

You are responsible for the care of your front, side and rear yards as well as the boulevards.

The Unsightly Property Bylaw can be found on the Hanna website.

Enforcement of this bylaw is done first through education and communication and if compliance is not obtained, the issuance of enforcement orders, possible fines, or court appearances. Disregard for

property maintenance can result in the Town taking action to remediate the property at the cost of the property owner.

Bylaw enforcement services are provided through a contract with Special Areas. Enforcement Officers work with Town Administration to identify priority areas. Currently, the focus is on unsightly and overgrown yards, boulevards and alleys. Anonymous and social media concerns are not considered but complaints can be submitted at the Town Office or hanna.ca/report-a-concern.

Introducing Officer Tracy Raypold. Tracy can be seen as she delivers bylaw services in Town.
