I trust everyone is having a good summer and getting time or maybe have plans to relax and recharge before summer ends.

The lack of precipitation is a big concern for farmers and ranchers. I truly hope that we get some much needed moisture ASAP.

I hope everyone had an opportunity to celebrate Canada Day and was able to enjoy some of the Town of Hanna hosted food and activities. It was great to see so many people enjoying the events in Hector King-Hunter Park that afternoon. Later in the day, Fox Lake Park was busy with the bike parade and the excellent fireworks show.

I am excited to see the number of events that are happening in our community. These events bring visitors to town. These visitors have the opportunity to experience Hanna and all we have to offer as well as spend money in our community which supports local businesses.

Events such as the 25th annual CanAm football game, two weekends of baseball provincial round robin play, the Gun Show, the Swim Meet, Provincial final baseball, the return of the Old-Tyme Music Jamboree, the Cruisers Drag Races, the Car Show and Drive In Movie and the Fall Fair and Parade among others. Events like these are not possible without a significant number of dedicated volunteers and corporate support from Hanna and area businesses. I want to thank all of the volunteers and businesses for making these events a reality.

Don't forget about Music in the Park featuring live entertainment at Hector King Hunter Park every Sun afternoon at 4pm until Aug 27.

Remember to check the Community Event calendar on the Town website for details and to submit your community event for free advertising.

Remember to feel free to reach out to me with any concerns or issues you may have.

Respectfully,
Danny Povaschuk, Mayor

Focus for Municipal Enforcement

The Town of Hanna entered into an employment agreement with Tracy Raypold to provide the services of Municipal Enforcement Officer for the Town of Hanna from Jan. 1, 2023 to Dec. 31, 2025.

On July 11, 2023, Tracy provided the first of ongoing quarterly reports to Town Council. In her

report, Tracy informed Council that the first quarter was spent updating documents, identifying the needs of council and the needs of the community. She recently attended training for Community Peace Officers, in Lac La Biche.

Tracy is committed to achieving compliance through education and supportive measures. Her goal is to keep Hanna a peaceful, safe and beautiful community that Hanna residents have grown to expect.

Among other things, Tracy shared that she is currently working on a total of 43 unsightly properties. In time, other areas of focus will be on street parking, garbage issues, snow removal, noise and business licensing.

If you have a bylaw concern and live within the Town of Hanna there are multiple ways to present your concern. You can stop into the Town Office, you can phone Tracy or the preferred method is to complete the online form that is found at: hanna.ca/report-a-concern.

It is critical, that in order for your concern to be addressed, that you provide your name and contact information so Tracy can follow up. Her position is part-time so patience is required and those who complete all the information will be responded to more quickly.

Remember, if you need immediate assistance or your concern relates to public safety, contact 911.

I certify that in accordance with Section 336(1) of the Municipal Government Act, taxes have been imposed and tax notices were sent to all property owners in the Town of Hanna on June 9, 2023.

Kim Neill,
Chief Administrative Officer
