

COVID-19 INFORMATION

GUIDANCE FOR OPERATORS OF OUTDOOR SHOOTING RANGES

Overview

This document has been developed to support outdoor shooting ranges in reducing the risk of transmission of COVID-19 among participants, workers and volunteers. The operator of an outdoor shooting range should also refer to and follow the [Workplace Guidance for Business Owners](#).

COVID-19 Risk Mitigation

SECTOR	MITIGATION
Booking and Facilities	<p>Booking and Facilities:</p> <ul style="list-style-type: none">• Implement online booking systems, where possible.• Range officer (RO) will facilitate entry and exit from the range. Where no RO is present, clear signage should provide instruction to participants on operational requirements and expected processes.• Equipment rentals should not be permitted. However, if equipment is rented it must be thoroughly cleaned and disinfected between users.• Clubhouse facilities and locker rooms must remain closed. <p>Clients:</p> <ul style="list-style-type: none">• The number of clients should not exceed the number of individuals that can maintain effective physical distancing or be protected through another means (e.g., plastic barriers).• Those who are sick or symptomatic must not enter/participate. Individuals who are displaying symptoms are required to self-isolate under CMOH Order 05-2020 and shall not be permitted into the range.
Workplace	<p>Operators are responsible to ensure interventions are in place to prevent COVID-19 transmission,</p> <ul style="list-style-type: none">• Operators should follow measures set out in the Workplace Guidance for Businesses.• Particular attention must be paid to the cleaning and disinfecting of common-touch surfaces.• The operator should determine and maintain any necessary physical barriers.
Food Service	<p>No dine-in service is allowed, per CMOH Order 07-2020. Any food and beverage service, including concession stands, must be in take-out form.</p>
Range and Grounds	<p>Physical Distancing:</p> <ul style="list-style-type: none">• Clients/attendees/staff should maintain a minimum of 2 metres of space between individuals.• Where physical distancing cannot be maintained, physical barriers should be in place.• Individual or group instruction must only be conducted with appropriate distancing and gathering restrictions in place.• It is encouraged that competitions are cancelled at this time. <p>Disinfectants must be available to sanitize surfaces when participants have finished their session.</p> <p>Operators should provide hand hygiene supplies, or require members to supply their own before entry.</p> <p>Washrooms may be open, but increased cleaning and disinfection must take place.</p> <p>Group seating should be removed/blocked-off.</p>
